

TRUE COLOR
OF XI

Dear friends,

We live in challenging times, surrounded by stress and navigating a world of polycrises. In moments when the clouds of worry gather, we invite you to find a little humor and a splash of Andy Warhol-esque creativity. For the coming year, take a moment to color one of these whimsical illustrations whenever you need a stress-relieving escape.

Thank you for your collaboration and support of China Observers in Central and Eastern Europe (CHOICE). May your holidays be filled with joy, and may 2025 bring you laughter, resilience, and colorful moments of peace.

Happy Holidays and a Bright New Year!

Warm regards,
CHOICE Team
